CATERING

Catering for breakfast, morning tea, and lunch will be situated in front of the poultry pavilion.

Please bring cash to pay for your meals and drinks.

PRESENTATIONS

Major presentations, awards, and judge's reports will be presented in the afternoon after the judging has been completed.

ANNUAL GENERAL MEETING

The Central West Wyandotte Club Inc. will hold its AGM after the show. All financial and interested members are invited to attend. Please inform the club secretary, Tracie Bird-Gardener.

DINNER

A casual get-together dinner will be held on Friday, May 15th, at the Garden Hotel (Cnr Gipps & Talbragar St Dubbo. If interested, please indicate how many will attend on the entry form and any dietary requirements.

CLUB RAFFLE

- Peter Trow is donating a Breeding Pair of Black Bantams,
- Bags of poultry feed
- And other donations that people can bring
- Raffle tickets can be purchased with show entries and on the day of the show $2 each or 3 for $5

CONDITIONS OF ENTRY

We request that ALL exhibitors clean out their own pens with equipment provided when removing their birds at completion of show.

All birds will be judged according to the Australian Poultry Standards. Any Other Recognised Colour (AORC) are varieties not listed in the catalogue, but which are listed in the Australian Poultry Standards. Developmental varieties are colours which have not been formally submitted for inclusion the Australian Poultry Standards. Some varieties which are currently in the process of being accepted into the Australian Poultry Standards have been listed in this schedule. Additional classes will be made where there are 3 or more entries of the same variety not listed as an individual class.

Birds wearing permanent Leg rings/bands are accepted by this club for judging.

Birds may only be removed from their pens for the conduct of judging, involvement in the classing workshop or for photography, with approval by a steward and a steward must be in attendance while the birds are absent from their pens.

The club will take all necessary precautions but will not be responsible for the damage or loss of personal property or exhibits. The club also reserves the right to inspect any carry boxes where necessary.

Exhibits showing signs of sickness or disease will be removed from the class by an authorised steward to a quarantine area, for biosecurity reasons.

Pullets and cockerels to be under 12 months of age.

Cockerel and pullet breeding classes are for varieties where the opposite sex does not meet the colour requirements of the exhibition standards, e.g. laced, pencilled and black varieties. This enables both sexes to be shown.

Breeding pairs will be judged as true breeding pairs, for example a Silver Laced breeding pair would consist of a male of exhibition standard and a Silver Laced Cockerel breeding female.

SPONSORS
